

# ShelfLED-KIT

ELECTRIFIED SHELF SYSTEMS

## Product Description

### The Complete Shelf Lighting System from Hera

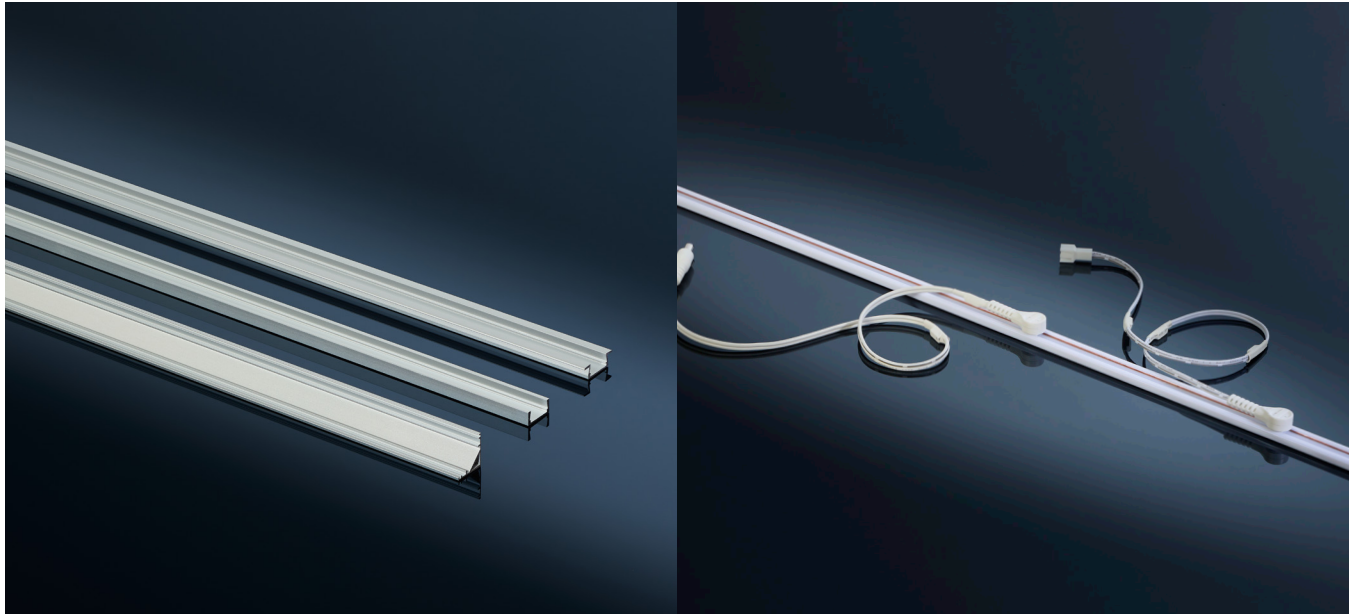

ShelfLED-KIT is a made-to-order shelf lighting system, complete with wire management and drivers. It is comprised of three Hera products; FreeCut-LED or CStick-LED, SPS Mini, and Daisy driver. ShelfLED-KIT's modular system allows for easy illumination of shelves requiring efficient re-merchandising.

## Product Features
